

Are you a Good Neighbour?

Volunteer Your Time and Make a Difference Today

We are working with WERN (West of England Rural Network) on a scheme to support residents living in rural settings across North Somerset.

To find out more about volunteering as a Good Neighbour, join us for a cup of coffee/tea at one of our drop in events during November.

6 November: 9.30am – 12pm
Winscombe Community Centre, Winscombe,
BS25 1LP

6 November: 2 – 4pm
Winford Village Hall, Felton Lane, Winford,
BS40 8AD

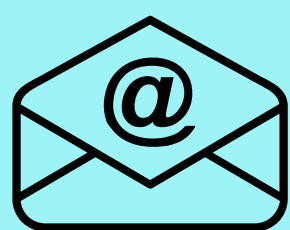

13 November: 2 – 4pm
Old School Rooms, Station Road,
Congresbury, BS49 5DY

Volunteers don't have to live in the same area as the individuals seeking support but they need to be caring, kind, cheerful and friendly. They will support someone with shopping, collecting prescriptions, help with meal preparation, light household tasks, gardening, letter writing or simple form filling, reading to partially sighted or blind people or just providing some company for someone.
